

PERSONAL AND PROFESSIONAL DEVELOPMENT KEYNOTES, TRAINING AND WORKSHOPS

Joie Rasberry Continues to Travel the Globe, Teaching Life-Changing Applications that Assist Girls, Ladies, and Women in Living Extraordinary Lives

- Stimulate and inspire self-belief, thus assuring students/females that they can do great things.
- Provide processes, which allow students/females to affirm their own basic value and set the framework for resisting destructive behavior.
- Instill in students/females the knowledge of their own untapped greatness.
- Introduce goal thinking and establish goal setting and planning as basic tools for survival.
- Minimize the adverse effects of peer pressure while advancing both individual and community self-interest.
- Transcend the negative expectations, which limit the scope of their dreams.
- Provide instruction for utilizing the emotional and organizational tools required to survive in this rapidly changing world.
- Provide skills for repositioning one's self while recognizing and canceling distractions.
- Provide a sense of responsibility and duty to develop their own individual greatness and thereby benefit their community.
- Explore their dreams and plan a course of action to fulfill those dreams.
